

Mary Beth Scherer Scholarship for Professional Development 2023 Guidelines

Purpose: The Richmond CPCU Society Chapter awards scholarships to professionals in the insurance and risk management industry. Consideration will be given based on lack of company financial support for continuing education through the Institutes, individual's dedication to the industry, and application responses.

Criteria: Eligible professionals must be active in the insurance and risk management industry with an intent to complete the CPCU designation.

Students should submit the following to be considered:

- Resume
- Letter of Recommendation from a Supervisor
- Responses to the following short essay questions (250 words or less):
 1. How has the insurance industry impacted your life?
 2. What are your career goals and how will the Institutes' designation advance these goals?
 3. Why should you be considered for this scholarship?

Amount: Each scholarship awarded will be paid in the form of a voucher valued at \$1,500. The voucher is to be used towards a professional designation class, Institutes' course materials, and exam.

Deadline: The scholarship deadline is May 1, 2023. The deadline is the date after which applicants will be longer accepted. Postmark will be used to determine mailed entries. Recipients will be notified by May 15, 2023, via email and recognized at a CPCU Chapter-sponsored event.
